Limited space needs unlimited creativity!

We recognise that exhibition planning is a complex and time consuming task, so we have put together some fixed price promotional packages that will, we hope, cover the basics of showing your products in the best possible light.

We are offering all shell scheme exhibitors the opportunity to maximise the available floor space of their stand. We believe if you combine this with our design and print abilities it will make an instant impact on all exhibition visitors.

Only the finest equipment and materials are used, giving you a high quality visual display. It also allows you to re-use the graphics and/or display them in your premises.

and finally ... always remember there are 6 steps to a successful exhibition:

- Design
 - Print
 - Build
 - Breakdown
 - Storage
- and comfy shoes ...

We only supply the first five, try Clarks for the last one!

Other services

We also offer: design, print - including large format, web services, stock management and logistics. Please call us on **01926 614488** to discuss your requirements.

Example: 3mx3m Stand Scheme

Alument Systems (UK) Ltd

6 Panels: **£750**
Delivered, fitted,
collected & stored £250

The image shows a 3x3m stand scheme for Alument Systems (UK) Ltd. It features a central counter and several display panels. The panels display the company logo, website (www.alument.co.uk), and product information. A red circular logo for 'Interbuild 08' is visible in the top left corner.

Example: 3x3 Quick Curved Pop up Stand

Delivered: £850
Collection & storage
can be arranged

The image shows a 3x3 Quick Curved Pop up Stand. It is a curved, cylindrical stand with a pull-up mechanism. The stand is shown in a partially assembled state, with the curved panels being pulled up by a central rod.
